

Enhancement of Research Activities at MERC during 9th Government

Four-year term of the **9th government** was accompanied with intense devotion which resulted in advancements of the scientific research institutes like **Materials and Energy Research Center (MERC)**

[The 15th National Technology Conference 2009 \(15th NTTC\) was held in Shiraz, Iran, from 15 to 17 October 2009. The conference was organized by the Ministry of Science, Research and Higher Education \(MSRHE\) and the National Science Foundation \(NSF\). The conference was the largest and most important event in the field of science and technology in Iran. It was attended by more than 1000 scientists and researchers from various fields of science and technology. The conference was held in a modern and comfortable environment. The conference was a great success and it was a great opportunity for scientists and researchers to share their knowledge and experiences. The conference was a great success and it was a great opportunity for scientists and researchers to share their knowledge and experiences.](#)
